

## 3D PKR Casino

Officially launched in November 2007, **PKR Casino** is by far the most modern and innovative online casino on the Internet. Known for their PKR Poker project, PKR decided to try their luck in the casino business and create a thrilling **3D PKR casino** that would match the success of PKR

Poker. Now PKR Casino is known by gamblers from all over the world for its amazing 3D technologies and it brings an unforgettable and thrilling gambling experience to its vastly increasing audience.

PKR Casino uses software from well-known developer Playtech and as you would have thought, game play is only presented through a software download. **3D PKR Casino** offers a variety of almost 80 different games. The games are divided into 7 groups: Card games (Blackjack, Baccarat, Casino Hold'em, etc.), Table Games (Roulette, Craps, European Roulette, Sic Bo, etc.), Slots (Classic single and multi-line Slots, multi-spin and multi-line Video Slots), Progressives, Video Poker, Arcade Games (Bingo, Bowling, Around the World, Derby Day, etc.) and Asian Games (Mahjong, Mahjong Pro and Dolphin Paradise). It must be said that all the games are very realistic and fun to play.

PKR Casino offers a generous 100% first deposit **3D PKR bonus** of up to \$200. All you have to do is make a first deposit of \$25 or more and your account will be automatically credited with a 100% bonus! You must wager a total of twenty-five times the deposit plus pending bonus amount to receive the bonus. Loyal players are often rewarded with reload bonuses, while VIP members are always eligible for a reload bonus. PKR Casino also runs a special Loyalty program based on Comp Points. Every time you play games at PKR Casino, you are granted Comp Points. You earn one comp point for every \$10 you play. The amount of money you get for comp Points depends on Loyalty rating:

- Member - get \$1 per 100 comp points
- Bronze - get \$1 for every 90 Comp Points
- Silver - get \$1 for every 80 Comp Points
- Gold - get \$1 for every 70 Comp Points
- Platinum - get \$1 for every 60 Comp Points

As you would expect the support at PKR Casino is of the highest
